- Designed using health literacy principles
- Evidence-based prevention/wellness focus
- Wellness: Health Topics A-Z

A screenshot of the healthfinder.gov website. The page features a search bar at the top, a navigation menu on the left, and a main content area with a large banner titled 'Let's Talk about Your Blood' and a 'Health Topics' section below it. The website design is clean and user-friendly, with a focus on health and wellness information.

Office of Disease Prevention and Health Promotion

Summary

The slide features the logo of the Office of Disease Prevention and Health Promotion in the top left corner. The logo consists of a stylized eagle and the text 'OFFICE OF DISEASE PREVENTION AND HEALTH PROMOTION'. Below the logo, the word 'Summary' is centered in a large, bold, black font on a light green background.
